## FROM THE PRINCIPAL

I would like to begin this week's newsletter with huge congratulations to the Year 3 & 5 students who participated in the online NAPLAN testing over weeks 3 and 4. The students approached the new testing environment with enthusiasm and overwhelmingly expressed positive feelings towards completing the Literacy and Numeracy assessments on the iPads. One of the benefits of the online testing is the quick turnaround of results, with the online schools expecting preliminary results by the end of June, instead of September with the pen and paper tests.

Before school supervision of students from 8am in the Library is an act of good will by administration staff, assisting those families who need to drop off children because of work commitments. However some families are dropping children off at 7:30am. During this time there is no supervision for your children. If you need to drop off your children this early in the morning the OSHClub is your only alternative and can be accessed from the undercover area. Online bookings for OSHClub can be made through the following website [www.oshclub.com.au](http://www.oshclub.com.au)

With the wet weather upon us, parents need to be vigilant in the way they are using the surrounding streets for parking during drop off and pick up times. Unfortunately parents are choosing to stop on the opposite side of Beatty Avenue. This is not only illegal stopping but dangerous for students crossing the road to access their parent's vehicle. Residents have recently complained to the Town of Victoria Park about illegal stopping on the road and verges and the Rangers will be fining people parking on the house side of Beatty Ave.

As per Department of Education strategic priorities, the Semester One student reports will be emailed home on the week of June 25<sup>th</sup>. The reports will be emailed to the email addresses that we have on file in the front office. If you have changed your email within the past 12 months please come in to the front office to ensure the correct email address.

**Reminder! The closing date for applications for enrolment for 2019 Kindergarten and Pre Primary is Friday 20<sup>th</sup> July 2018.**

## AUSSIE OF THE MONTH

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years. Hundreds of schools participate each year across the State. Like all of our awards, the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians:

- \* a sense of fair play
- \* commitment to community participation
- \* generosity of spirit
- \* a real concern for the environment

Many schools have successfully integrated the awards into their civics and citizenship curriculum by using the award to generate discussion on community participation and involvement. We hope that this award will encourage an appreciation of the diversity and depth of personal and community achievement that is possible within your own school, and bring about increased concern and consideration for all members of the school community.

Aussie of the Month award winners are:

Aubrey Sage Rm 2 and Aurelya Nadine Rm 5

## MANGAHIGH WINNERS

Approximately 4 weeks ago EVPPS was involved in an Australia wide on-line Mangahigh maths competition. Congratulations to our winners: Amal Fahad Rm 8, Meena Srinivasan Rm 10 and Samuel Whitfield Rm 8

## SPORTS REPORT from Blair Ranford

Winter Carnival:

On Thursday the 31<sup>st</sup> of May, selected students competed in the Winter Carnival at Curtin University. Our teams consisted of netball, basketball, soccer, football and hockey. Unfortunately due to the extreme weather the carnival was cut short with our teams completing 3 out of 5 of their games. The basketball team played on in the comfort of Curtin Stadium only losing one game all day. Thank you to the staff, parents and volunteers who assisted during training and at the carnival. Training will now start for Cross Country and Faction Athletics.

Kookaburra Visit:

Today our students were extremely lucky to have Commonwealth games medal winners Jake Whetton visited the school to talk about hockey. Jake shared his story about Australia's success at the Commonwealth games as well as giving an insight into what it takes to be a professional athlete. Some of our hockey obsessed students were lucky enough to ask questions and receive autographs.

## RMS 1 & 2 CONSTABLE CARE SAFETY SCHOOL EXCURSION NEWS

On May 29 the students in Room 1 and 2 went to the Constable Care Safety School where we learnt to be safe pedestrians and bike riders. The children enjoyed using the iPads for an augmented experience and riding the bikes around on the road remembering to follow the lights and signs correctly. We stopped off at Chevron Park near Optus Stadium for lunch and a play on our way back to school. Thank you to our parent helpers for making this a fun day for all students.

## EAL/D PARENT MEETING – THURSDAY 14 JUNE

The EAL/D Parent meeting will be held on Thursday 14th June at 9.00 am in the library. Please return notes if you are intending to attend. Thank you.

Ms Ilona Vincze, EAL/D Specialist Teacher.

## **IMPORTANT REMINDER: APPLICATIONS FOR ENROLMENT FOR KINDERGARTEN & PRE PRIMARY 2019**

If you have a child starting in Kindergarten or Pre Primary 2019 you are required to complete an application form, even if they are already enrolled at our school. Please note the closing date for applications for 2019 Kindergarten and Pre Primary enrolments is **Friday, 20<sup>th</sup> July 2018.**

Applications for enrolment are available at the school office.

Please provide copies of the following documents:

- Your child's birth certificate – (if not previously provided)
- Your child's current immunisation history statement
- Original passport and visa grant details (if applicable or has changed)
- Proof of your residential address (i.e. current utility account or lease agreement).

If you are not enrolling your child for 2019 could you please advise the office. Thank you.

## OUR YEAR 5 PEAC STUDENTS STAR IN DEBATING – PEAC FAMOUS PEOPLE BALLOON TALK

On the 21<sup>st</sup> May our Year 5 PEAC students, **Oliver Benetatos, Alex Tinlin and Sam Whitfield**, participated in a debate where they were required to act as a great, well known person. Oliver acted as Muhammad Ali, Alex as Captain James Cook and Sam as William Wilberforce. All three boys also created a cardboard display that was presented in conjunction with their debate. They hope to bring in their display for 'Show and Tell' in their classrooms.

*Oliver looks like a champion, Alex looks like a leader and Sam looks regal ... staring off in the distance like that! Most impressive!*

### **School Photos will be held on Wednesday 20 & Thursday 21 June**

**Please be reminded that the students need to bring their photo envelope on the day, NOT prior to photo day. Family photo envelopes are available from the office.**

## **East Victoria Park Primary School PBS Newsletter**

### **Positive Behaviour Support (PBS)**

East Victoria Park Primary is currently in the early phases of implementing a new program (PBS) to improve behavioural and academic outcomes in the classroom, school and community.

## What is PBS?

PBS **builds a continuum of supports for staff and students**. At each level (or tier) there is an emphasis on **outcomes** in the form of agreed expectations for student and staff behaviour, and **data** to guide decision-making about what **practices** should be put in place to support student learning and social behaviour.

## Why do we need PBS?

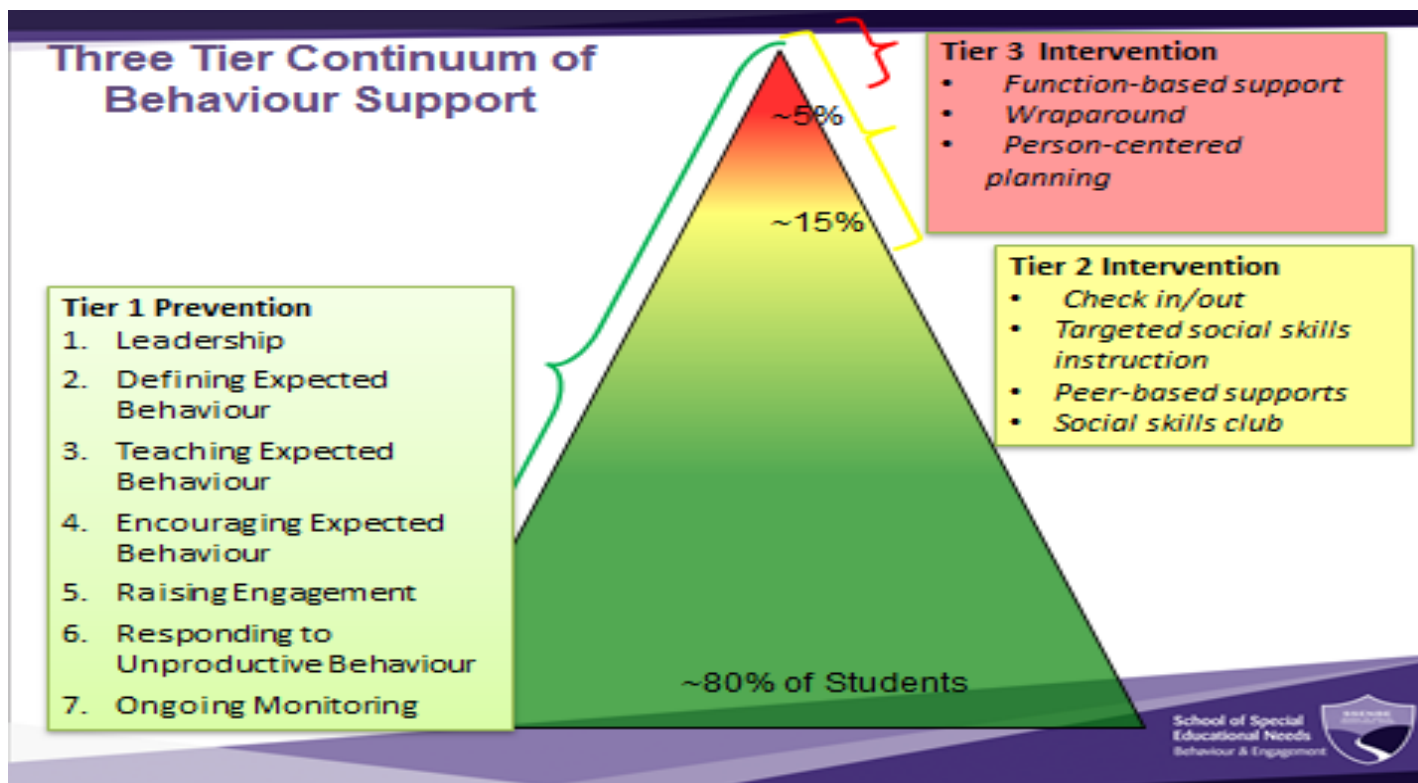

- A consistent approach of expectations for academic and behaviour success within the classroom, school and community.
- Implement a uniform approach to dealing with behaviours.
- Improving school outcomes.

Improving student academic and behaviour outcomes is about ensuring all students have access to the most effective and accurately implemented instructional and behavioural practices and interventions possible. PBS provides an operational framework for achieving these outcomes.

For more information please visit:

[www.pbis.org](http://www.pbis.org)

PBS is supported by a three-tiered model as follows:

## COMMUNITY NEWS:

**Get out in your community and change the lives of young people who would benefit deeply from your advice and experience.**

- Join a growing nationwide movement of volunteers.
- Choose a school and support role that suits you and your lifestyle.
- Use your skills, knowledge and life experience to make a difference.
- Feel valued, improve your health and wellbeing and connect with your community.
- Learn new skills and have fun along the way.

**We connect volunteers who want to make a difference, with young people in local schools who need extra help and guidance the most.**
